Everything At A Glance

A Player Team

OG NFT collectors, Forbes 30 under 30, entrepreneurs, Netflix producers. Fully doxxed with a non-fungible vision. Advisors who worked on WoW, PA and Smileless.

Solid Roadmap

Your NFT is a key to Kosmos where ordinary people do extraordinary things. Ever wanted to climb Kilimanjaro or meditate in a temple? Join us.

Unique Art

Passionately hand drawn traits and art as unique as our vision. How many NFTs there will be? Wen mint? For now, we keep it as a secret.

Star Supporters

We don't want to say too much but incredible people from sports, music and other domains love Kosmos. Stay tuned and you will know soon.

*We did not find the Kosmos.
Kosmos found us.*

They live on distinct planets far from earth and made a long journey to meet us. They came to tell us that constant comfort is the enemy and that adventure is what to strive for. To come together as a community for more spiritual and physical extraordinary experiences.

Then they left. Without another word.

But we never forgot them. So, we decided to build a community that honours their appearance. And ultimately, we will send someone to

We're here for the journey

Come as you are and hit the road to space and beyond with us. Kosmos is a lifelong project and no roadmap could ever adequately illustrate how big we are dreaming. So, we just leave those first 4 of our many planned chapters here. We invite you to join us with the pledge that we underpromise and overdeliver.

Chapter 1

Beginning of an extraordinary journey

- Continuous online events with the community
- Learn from each other and from global thought leaders
- Airdrop for superkey holders

Chapter 2

Ordinary people doing extraordinary things

- Regular community raffles. Winners go on IRL trips around the world and experience unique things
- Doing good together. Created content creates awareness and donations for good causes.

Benefits of the Kosmos ownership includes:

- Unique art
- Key to physical and spiritual extraordinary experiences
- Learning from global thought leaders
- Airdrop for superkey holders
- Donations and awareness for social causes
- Web 3 exhibition in the heart of Europe
- Access to another cosmic being that is joining
- Raffle for one member to go on the most extraordinary experience
- And way more we will announce along the road...

Chapter 3

The arrival of a friend

- Another cosmic being is joining our adventure.
- Big web3 exhibition in the heart of Europe to meet our new companions.

Chapter 4

#nowmoon

- Next destination is space
- Say hello to the Kosmos from us

To be continued

Above and beyond

- And more is coming up. Just leaving DAO, token, airdrops here...
- Enjoy the ride

Mint could be anytime in Q3

We spice things up a little bit. We don't say anything except that minting will happen in Q3 2022 and that pre-sale is open for 24 hours before public mint starts. Better become a part of our community soon...
